the Peninsula community. She was a volunteer docent at the Point Vicente Interpretive Center adjacent to the Pt. Vicente Lighthouse where she would share her vast knowledge of the Peninsula and its natural history. Also a talented musician, Georgia loved playing show tunes on her Hammond organ. For many years Georgia was also actively involved in the city government of Rolling Hills Estates. As a real estate professional, Georgia served her real estate clients from offices in Malaga Cove Plaza, Peninsula Center, and from an office by the P.V. reservoir near Dapplegray Intermediate School. On Saturday, January 28, 2011 at 11:00 am, a memorial service will be held at the Neighborhood Church, 415 Paseo del Mar, Palos Verdes Estates. Everyone who knew Georgia is welcome to attend and celebrate her wonderful life with family and friends.

Old paint. Solvents. Batteries. Computer monitors. These are some of the household hazardous waste and electronic waste items you can bring to a Roundup for recycling. It's a great opportunity to clean out your garage and clean up the environment. Our free drive-thru, drop-off events are a quick, convenient, and common-sense way to dispose of materials too toxic to trash, pour down a sink, or dump in a storm drain.

No Business Waste Accepted

Brought to you by the County of Los Angeles and presented by the Department of Public Works and the Sanitation Districts of Los Angeles County in cooperation with the cities of El Segundo, Gardena, Hawthorne, Hermosa Beach, Lawndale, Manhattan Beach, Palos Verdes Estates, Rancho Palos Verdes, Redondo Beach, Rolling Hills, Rolling Hills Estates, and Torrance.

Home-generated sharps waste such as hypodermic needles, pen needles, syringes, lancets, and intravenous needles **SHOULD NOT** be placed in your trash. Bring them to the Roundups or visit www.CLEANLA.com for alternate disposal options.

You can also take your used motor oil to more than 600 oil recycling centers in Los Angeles County. Call 1(888) CLEAN-LA for a complete listing.
